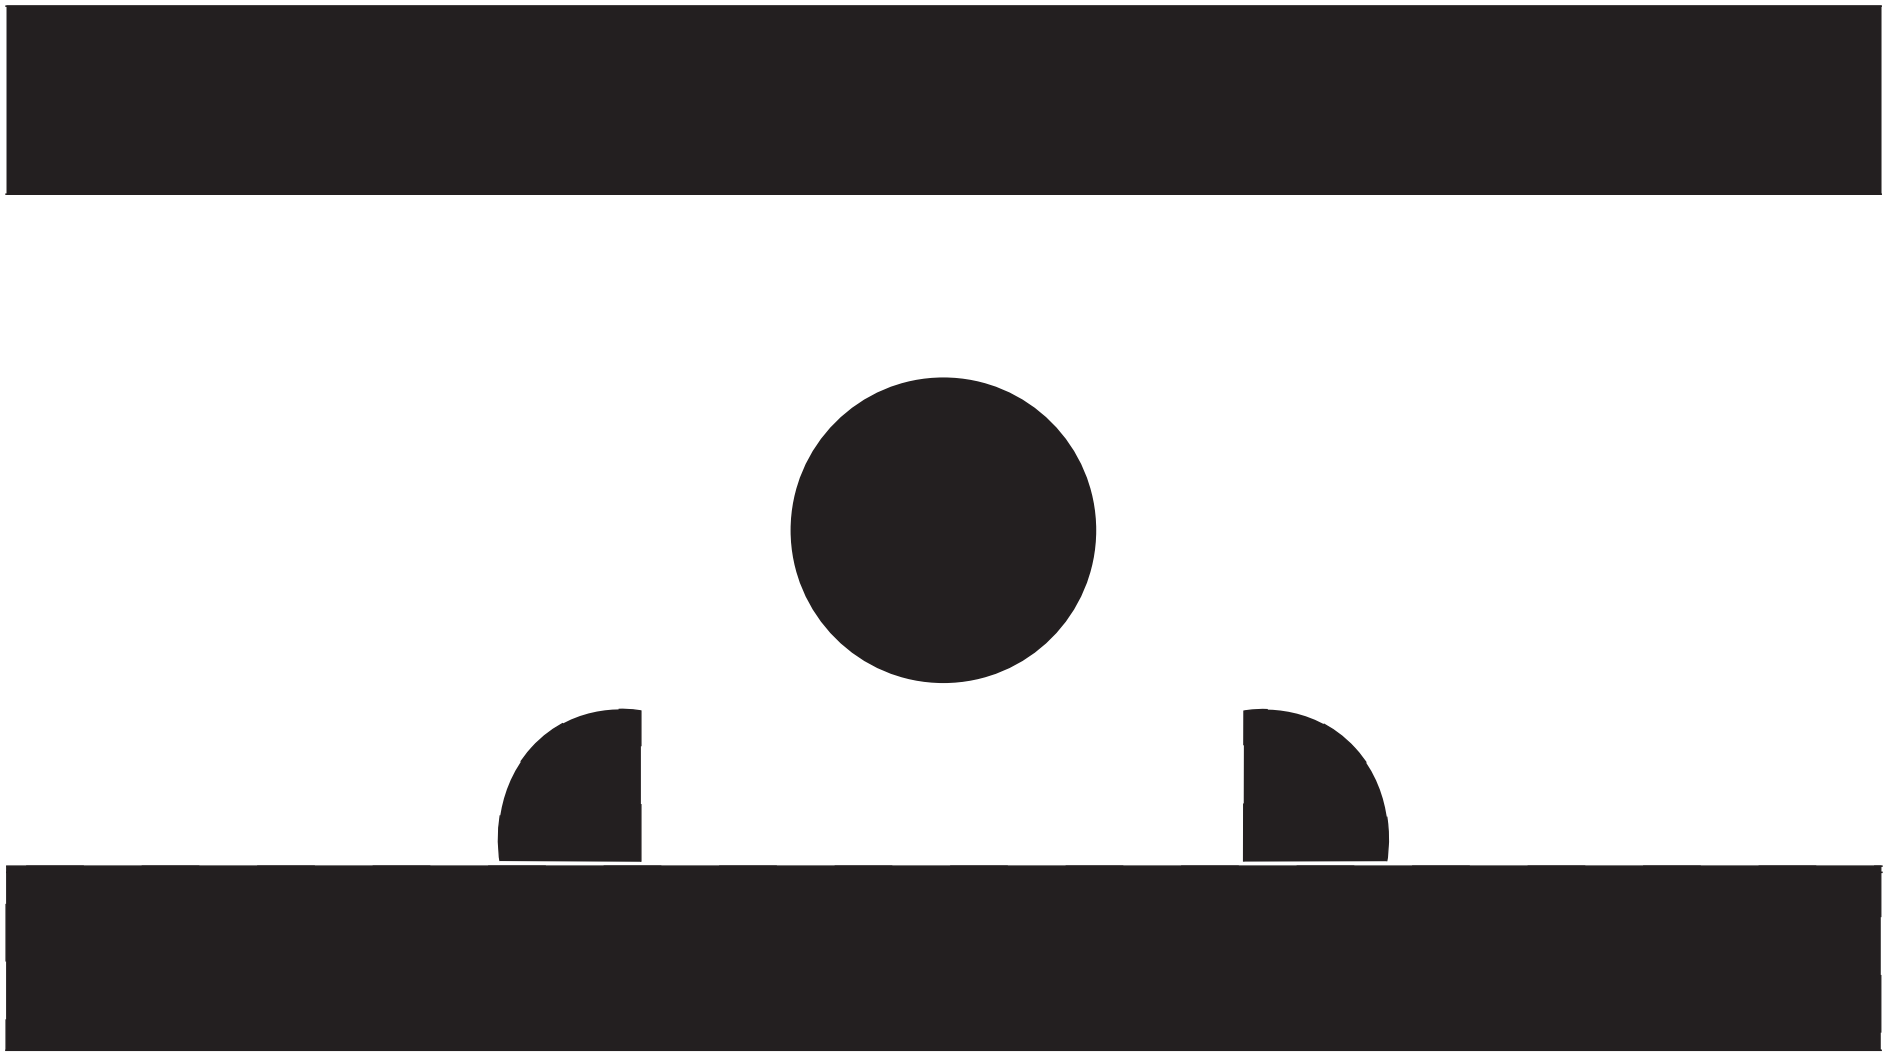
Paper Size: A4



DIAN

1. Cut out pattern including seam allowance
2. Start with collar, topstitch one side together (1,5 cm from the edge). Raw sides of material folded in
3. Now, topstitch across the length another 3 cm from first stitching, so you create a tunnel.
4. Topstitch the other side of the collar in two parts. Start from to outside 105 cm in.
5. The remaining part (125 cm), is sewn onto the neckline. Leaving 20 cm open on the neckline.
6. Sew together top bodice and back bodice up to 105 cm, leaving an arm hole
7. Use half of the fabric of the neckline for a sleeve. Sew straight side on the shoulder. Hem the other armhole
8. Use other half as a pocket on the side (Placing on pattern). Hem the straight side and topstitch around the half moon into the bodice. Fold raw fabric inside.
9. Fold the cord and slide into the tunnel on the collar.
